Our mission as Brothers of the Christian Schools is to provide a Christian and human education to young people, especially those isolated by poverty. We are called Brother because of the fraternal nature of our community life and the active presence we have among the young people we serve. As Brothers, we witness to the possibility of true brotherhood among people and nations.

Our life is a response to the calling of the Holy Spirit and is based on the gospel invitation to follow Jesus Christ. We are consecrated, entirely, to the Holy Trinity in order to procure the glory of God in the ministry of education.

We Brothers make a difference in the lives of young people through our ministry as teachers, catechists, counselors, campus ministers, social workers and administrators.

Consider a vocation
with The Brothers.
